ELEMENTS IN AN ANGRY MOOD

Terrific Thunder Storm, Accompanied By An Almost Unprecedented Downpour of Rain.

(By Associated Press.)

NORFOLK, VA., July 6.—An unexpected and extremely violent thunderstorm, accompanied by a rainfall of nearly two inches, prevailed in this region for an hour this afternoon, and during that time lightning struck the Port Norfolk Baptist church, its pastor, Rev. R. M. Rabb, the power house of the Portsmouth Electric Company, damaged all the electric motors in that city, killed some stock in the country and damaged several houses.

In Norfolk the streets in the lower part of the city were so deeply flooded that traffic was tied up for some time and the produce suffered very heavily by stock on the street stands being flooded away.

Great Downpour in Washington.

WASHINGTON, July 5.—One of the heaviest rain storms ever experienced in Washington occurred tonight, when the downpour reached almost the proportions of a cloudburst. Between 7:22 and 8:40 p. m., the rainfall amounted to 3.11 inches, a greater amount than during any day of twenty-four hours, with but three exceptions, during the past thirty-three years.

Considerable damage was done about the extensive railroad terminal improvements now in progress here. At various places in the South there was also unusually great precipitation. At Raleigh there were three inches of rain fall; at Norfolk two inches and at Lynchburg one and a half inches.

Baltimore Flooded.

BALTIMORE, MD., July 5.—The low-lying sections of the business district of this city are under water, the result of a cloudburst in Baltimore county, and the backing up of the waters of the harbor by the recent southwest winds. There will be much damage, which, however, cannot be estimated at present. Street car travel on lines running through the central part of the city is paralyzed. Just before midnight a heavy rain fall began in the city. Holiday street, upon which the city hall fronts, is under water half a block north of that building.

Mr. Hunter Qualifies.

Mr. J. E. T. Hunter, who was recently elected to the board of school trustees by the city council, to succeed Mr. A. C. Garrett, whose term on the board expired June 30, has qualified.

EXPLOSION IN MINE

Two Killed and Seven Injured in West Virginia.

CAUSE OF THE ACCIDENT

Officials Claim That a Heavy Shock Caused Dust to Ignite, But Persons Familiar With the Shaft Doubt This Theory.

(By Associated Press.)

BLUEFIELD, W. VA., July 5.—By an explosion in the Tidewater coal mine at Vivian, twenty-two miles west of this city, today, nine miners, all Italians, were injured, two of whom died later in the hospital, while three more are in a precarious condition with slight chances of recovery. All of the men were burned badly. The dead:

LEE MOZZILIE.

ANTONIO RUPITOMIS.

The injured:

Dominick Sadmillie, Jim Granateer, Antonio Lochie, Jemsole Ezdale, Antonio Jupitoni, Franco Traviti, Remeo Antol.

Cause of the Accident.

The explosion occurred about 8:30 o'clock this morning when the men had just begun entering the mine and those injured represent all that were in the mines at the time of the explosion. They were rescued with little difficulty and sent to the miners' hospital at Welch, six miles distant, by special train.

Mine officials claim that the explosion was caused by a very heavy shock in robbing the pockets and that dust ignited. The Tidewater mine, however, is below the Elkhorn river bed and outsiders familiar with the mine doubt the dust igniting theory. The mine is ventilated by an eighteen-foot fan.

WOUNDED NEGRO JAILED.

Morris Morton Punished For Shooting at Police Officers.

Morris Morton, the negro who was in the shoulder Tuesday night after he had fired at Police Messick and Harry Moss, was fined \$25 and costs in the police court yesterday and went to jail in default.

The bullet from Officer Messick's revolver is still in the negro's shoulder. Dr. Cressy made an unsuccessful effort to extract the ball Tuesday night and Dr. Ayler also failed to reach it yesterday morning.

SWEDISH ARMY TO MOBILIZE

Intended to Give Force to Any Proposal for Settlement With the Norwegian Storthing.

(By Associated Press.)

STOCKHOLM, July 5.—The Associated Press is in a position to state that an order for the mobilization of the Swedish army has been issued and that a proclamation to this effect will probably be issued within a week.

The mobilization is intended as a means of giving added force to any proposal for settlement which the special committee appointed by the Riksdag may make to the Norwegian Storthing.

NASHVILLE CHURCH DESTROYED.

Fire Threatened Retail Business District of City.

(Special to Daily Press.)

NASHVILLE, TENN., July 5.—Fire last night destroyed McKenzie M. E. church, on Church street, between Fifth and Sixth avenues and one of Nashville's finest houses of worship and threatened a section of the retail district in the midst of which the edifice was situated. The Arlington Hotel, directly across the street, was in imminent danger and considerable confusion prevailed for some time among the guests. The flames were, however, confined to the church, the loss on which is complete and has been estimated at \$60,000. The amount of insurance could not be learned tonight.

The flames were discovered about midnight and had then made such headway that their spread to adjoining buildings seemed to be certain. The church was destroyed by fire once before in 1879.

The origin of the fire is unknown.
